"Hate is what drives mankind, but have you ever stopped to consider that one day, love will be our salvation?" When sixteen-year-old Kelli McNeil sets into motion an ancient prophecy from an extinct civilization, memories of past lives return to her. As the dreams intensify, Kelli discovers that she is the answer to the renewal of her lost race and without her, her kind will never rise again. In every memory and dream is a man: Sebastian, whom she loves...and fears. When she meets him in the present-day, Kelli can't help but fall for the man she feels she's always known. But there is more to it than love and the fate of her people. Because in every incarnation, Bastian isn't only her true love he's also her murderer.
